Audible website: . with/start-listen Audible is an Amazon company that transmits stories in 6 different languages on your desktop, laptop, phone or tablet. Available languages: Japanese, Spanish, German, French and Italian. Limited options in Chinese. Explore the following: as I taught my child over 1000 Chinese characters as non-fluent speakers apps with free Mandarin Chinese books for children 1. Site Ximalaya FM: ximalaya. with; APP: Á © © (®) ... FM This is our family's favorite feature for free Chinese audiobooks. They have thousands of Chinese stories and even free Chinese music. Ximalaya requires basic skills of understanding Chinese listening. If you are just starting to learn Chinese, the narration will be very advanced compared to the features listed above. To learn more about Ximalaya, check out the following articles: 2. ÁÁ "s@2æ" ... « App: Á "s@2æ" ... « on iTunes Á "s@2æ" ... « have numerous free Chinese stories for children in Mandarin Chinese! It is important for children like ours who have actually spoken Chinese with women due to the lack of diversity in our local community. 3. \*S for pre -schoolEarly school age children. App App App: æZæen Names in iTunes and Google Play æ name áš Eªæ •... æª «(Candy Sister Telling Stories) is an application with narrated stupid stories as well as other stories. The narrator's voice is pleasant and unknown to understand, but the containment may be more suitable for child school children and up. You can read the Mandarin Mama review of the CD .æœææœ for more information. 5. á -- agencies ç« Ý á... "á... "á... "á... © one of the first apps we use when we were first to learn to speak chinátes. The application features many popular stories with simplified Chináthe text. Some free stories are free while others require a signature fee. Sites with Chinese Books Mandarin Great for children 1. Learning Chinájs Attraviating History Website: LearningChineSethstories.com Learning Chinájs Attraviating Histories is one of my favorite features! Its podcasts mandarin táªm 3 no major proficiency of proficiency: noviceinteldly advanced each no way of proficiency has high, dio and bass. Podcasters teach vocabulary and common Chinese expressions in the context of the stories. The stories were definitions of keywords with pinyin and translations in English. 2. Little Fox Website ChináS: ChináS.LittleFox.com Little Fox Chinese is a free language learning curriculum that offers 5 non -reading practices. Not a start with pinyin, basic words and daily expressions and progresses to longer phrases through animated stories. The program offers hundreds and stories and moms through its website, application and YouTube channel. If you are trying to minimize the screen time like our Funiáia, you can print the books and add them to your library from home!
