But you may be able to make your brain more resilient if you're constantly learning new, mentally complex things, says Denise Park, Ph.D., codirector of the center for vital longevity at the University of Texas at Dallas. The need to focus on technique when doing different lifts provides a cognitive challenge you may not get while doing a repetitive exercise like running, says Gary Small, M.D., director of the UCLA longevity center and coauthor of The Alzheimer's Prevention Program. These speed controls run on DC power, and you can also sometimes find them in industrial settings and fans when it's necessary to be able to adjust the speed of the blower. Heating and Cooling Suppliers One place to get Dayton motor speed controls is through professional heating and cooling suppliers. The interfaces have instruction labels on them for your easy installation. While there are many styles of Dayton parts available, in some cases, there are parts that are hard to find in the general market. "It also revs your heart to pump more blood to your brain, which brings glucose and oxygen to help your neurons work optimally." A variety of research shows that exercise may also improve memory, delay neural aging, and fight depression. WORKOUT STRATEGIES TO BUILD MENTAL MUSCLE RUN A MEMORY UPGRADE Forty minutes of aerobic training three times a week for a year can increase the size of an older adult's hippocampus by 2 percent, which may lead to improvements in memory, according to research by Arthur F. Other things to check include the shipping terms and return policy in case the part doesn't work as stated. "Throughout your life, your neural networks are constantly rewiring themselves in response to your diet, exercise, work, and social habits." By tapping into this ability of your brain to change its own structure and function, you can achieve peak mental fitness. "It's scary, but we can actually see how cramming for an exam, hitting the weights, or partying in Vegas can expand or destroy your mental circuitry," says P. More neuroplasticity equals denser concentrations of some brain cells and stronger, faster connections between those cells, says Henriette Van Praag, Ph.D., of The National Institute on Aging. EXERCISE YOUR INTELLIGENCE Brain researchers name their top picks for techniques to grow your gray matter TAKING DANCE CLASSES POWER READING 1 (SEE "SAVE YOUR BRAIN" CHART) STUDYING A FOREIGN LANGUAGE TAKING COLLEGE-LEVEL OR ADVANCED COURSES LEARNING A COMPLEX SKILL, SUCH AS WOODWORKING OR PAINTING MEDITATING AND DOING YOGA LEARNING A MUSICAL INSTRUMENT PLAYING CHESS (AND OTHER CHALLENGING BOARD GAMES) DOING COGNITIVE TRAINING GAMES 2 (SEE "SAVE YOUR BRAIN" CHART) JUGGLING Sources: P. 1. EXERCISE Working out boosts production of the proteins that stimulate brain-cell growth, says John J. If you're using one of these stores to shop online, have all the details about your old part in front of you. These companies typically sell to professional heating and cooling technicians, so you may save time if you call and ask if they sell to the general public before going to one. If you have a hard time finding the Dayton parts you need, consider contacting an HVAC repair person to have the part ordered through the technician. "It appears that the type of activity is interchangeable, but we're still trying to figure out the exact criteria for frequency." In his study, the participants walked, but we suggest moderate-intensity cycling, running, rowing, or swimming. Kramer, Ph.D., a psychology professor at the University of Illinois at Urbana-Champaign. This item is a brushed motor controller, it can provide steady speed and sensitive control of braking and direction changes. Get the model number from your old Dayton speed control, because you'll need that to get an appropriate replacement. Major Online Retailers Some major online retailers, such as Amazon, offer some Dayton motors. To search for the one you need, enter the information about it in the search box on the retailer's website. You may have to browse through the list of available Dayton products if it doesn't come up immediately.
