Fantastic holiday destination for families, couples and singles! Diverse entertainment and if hotels are chosen correctly - relaxation...just be aware of the noise at night, if you are a light sleeper, when choosing accomodation - if you are in Surfers and close to the ground ask for double glazing because the clubbers get rowdy when wandering home. Lovely weather and beaches. Accomodation was way out of what it should have cost. I paid 140 per night was not worth that much, yes you get what you paid for but I expected basic goods to work such as the room phone and the airconditioner. Fantastic position but not happy with accomodation. Surfers is not only a great beach to relax and swim at but also central to other areas like the hinterland, Brisbane or South. Hotel accommodation is varied and some amazing views are to be had from most of the hotels. Great place to stay. Area is like Miami Beach if you've been there (well sort of) . A wide beach with lots of nice people, a road in between, and then bars and restaurants at the other side). Lots of theme parks for a short ride though! (seaworld was like 6 mins from our hotel - Rhapsody Resort and WB Movie World 27 mins away). Great getaway... Its a beautiful Place, from the elegant foyer to the tastefully set out rooms with balconies and great views. The Gym, pools and sauna are fantastic with views over the river in an amazing location. Down around the corner is an excellent Woolworths with a huge array of products. There are about 6 hairdressers in the street, many restaurants and a friendly chemist. The Rail is just opposite..so this is a perfect location. I simply love this hotel...and the staff are so nice.....and handsome too... A great place to go for the whole family. Spend time relaxing or get amongst it all. It's a great place that's affordable with so much to do. Spend time choosing and maybe a little extra money on your accommodation, the location you pick and quality of accomodation has a huge influence on your overall holiday. Consider areas like Kirra Beach if you are looking to relax with a little less hustle and bustle. Don't be afraid to call hotels before you book and make sure you are getting what the photos show.... it's your holiday, your money and your memories. You can't control the weather but you can choose your location. We had the surfboards with us but the waves weren't their... my teenage boys had so much fun at the hotel pool, playing billiards, in house movie theatre, gym, sauna, and spa they didn't even mention surfing they were having so much fun. not to mention skateboarding along the beach and heading to local shops etc. our favourite spot is Kirra Beach and our favourite hotel is Nirvana By The Sea. Other hotels we have enjoyed are Mantra Sun City, Watermark, mantra Towers of Chevron. 8.9 Fabulous 5,042 reviews Superclass apartments. Exceeded my expectation in all. Very clean, first class facility, had everything you can think off in a service apartment intact had more facilities. Very supportive staff, very secured, ample parking and just 50m from the Surfer Paradise beach. Our room was on the 36th floor and that made it like a cheery on the cake. Will definitely stay here only if visiting Gold Coast again. The Gold Coast Broadwater is an amazing, natural spot. Comera houseboats' port is in a convenient place to access it. The fishing, wildlife and beaches are incredible. The houseboat has everything you need as far as utilities go. You just need to bring food and drink for your stay. Tipplers is a must for lunch. Don't bother going to Couran Cove. Wonderful apartment with excellent facilities.Love the indoor heated swimming pool .Very close to most attractions.Jeanne is very nice lady to take care of us at the check in.We had a very convenient stay.Will definitely be back. 8.4 Very good 1,719 reviews EVERYTHING!!
