THE FIRST ALEX CROSS NOVEL

THE BOOK THAT STARTED IT ALL

The process in Gary Soneji / Murphy lasts eleven months. In the district of the murdered prostitutes, an elderly remembers a man who went door to door to sell heating systems. Irritated from the contemptuous comments of the FBI agent Roger Graham on him on TV, Soneji would impersonate a reporter and killed Graham. After losing the fight, Soneji was hunted through the capital and finally put on the corner of Pennsylvania Avenue, where he takes two children hostage. He calls them "intelligent failures", or brilliant people who have never done anything of their lives. Soneji is about to shoot Cross, but Sampson shoots first in Soneji, injuring him. He explains that Devine and Cheapy noticed Soneji driving the Goldberg house, and followed him. Cross meets the FBI, who believed for some time that Devine and Chealy have taken the redemption, assuming and subsequently killing the pilot from Florida. In other media film Main Article: Along Came a Spider (film) A film adaptation with the same name was published on 6 April 2001, with Morgan Freeman as Alex Cross, Monica Potter as Jezzie Flannagan and Michael Wincott as Gary Soneji. Cross hypnotizes more times, learning that he seems to have a divided personality; Gary Murphy, the daily character of him, is a kind family man, while Gary Soneji is a vicious sociopath. Some time later, Michael Goldberg's corpse is discovered, and the Dunnes receive a telegram that requires \$ 10 million. Suspected Cross Mike Devine and Charley Cheaky, secret service agents charged with protecting Maggie Rose and Michael when they were kidnapped. He has the obsession of being famous, and wants to be the most feared criminal in America.
